

Eclipse SE Reviewer Certification

As a Certified Reviewer, users will have demonstrated an in-depth knowledge of using Ipro Eclipse SE Desktop for document review. This prestigious certification indicates to your colleagues and the legal industry that you are a leader in your field.

Prerequisites

- Minimum three (3) months experience using the Eclipse SE Desktop module.
- An in-depth knowledge of the following topics in Eclipse SE:
 - Working with Case Folders
 - Transcripts
 - Case View & Record View
 - Document Details – Images, Extracted Text, Quick View, & Production History
 - Working with Tags
 - Searching
 - Working with Batches
 - Running Reports from the Desktop

Duration:

45 minutes

***Cost:**

@ Ipro – Free

@ your Office - \$250 per person + travel expenses

Web-based - \$250 per person

What to expect during the Exam:

The Certified Reviewer exam consists of a timed multiple-choice test that is administered online. To earn Ipro’s Eclipse SE Reviewer Certification, you must achieve a score of 80% or higher on the exam.

Please contact your Ipro Sales Representative at Sales@IproTech.com with questions or for more information on scheduling an exam for your organization.
